Art director and graphic designer in Toronto, originally from Kerala. I co-run Amplifier Studio, where we build brands from the idea up: finding the one idea that holds everything together, then making it work everywhere it needs to.

WHAT I DO (04)

Brand identity and logo design · Typography and lettering · Art direction for print, packaging, motion · Web design

EXPERIENCE (03)

2024–Present

Amplifier Studio

CO-FOUNDER & DESIGNER

Toronto · Branding and web design for clients in India and Canada

- **Teeta**, café, Kochi: co-created the name with the owner and designed the identity, from logo, seal and illustration to signage, packaging and motion. The café opened in 2024 with the original logo and tagline. Case study
- **Sanjo Construction**, GTA renovation company with 19+ years in business: designed a modular identity, typography and colour system (proposed), and storyboarded the logo animation for a collaborating animator. Case study
- **CRUMS**, South Indian snack brand: designed the e-commerce website for a 14-flavour range, working with the brand designer and the client's development team. Case study

2022

Freelance

GRAPHIC DESIGNER

Toronto

- **Milton Malayalees**, Malayalee community association in Milton, Ontario: designed a logo joining Milton's old town hall with a Kerala elephant and nettipattam, plus the launch posters and social posts. Case study

2020–2021

Chorus Communications

GRAPHIC DESIGNER

Bangalore · Formerly Chila Films

- Branding and graphic design for agency clients.
